Bob - I forwarded your inquiry on to Rick Parkin and Sheila Eckman...the people who actually know something about this.

They'll get back to you directly.

Thanks - Bill.

Bill –
Greetings from the frigid north.
I am being asked how to nominate names for the peer review panel. As I recall, the review and selection of people is being made not by EPA but by an independent contractor. If this is so, how should any nominations be directed?

Bob Waldrop

This Email message contained an attachment named
image001.jpg
which may be a computer program. This attached computer program could
contain a computer virus which could cause harm to EPA's computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced
into the EPA network. EPA is deleting all computer program attachments
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you
should contact the sender and request that they rename the file name
extension and resend the Email with the renamed attachment. After
receiving the revised Email, containing the renamed attachment, you can
rename the file extension to its correct name.

For further information, please contact the EPA Call Center at
(866) 411-4EPA (4372). The TDD number is (866) 489-4900.
